SUPER SWIM LEAGUE VIRTUAL TIME TRIAL OBJECTIVES:

The virtual event is set to run across Nairobi from June 7 to June 26 2021.

Super Swim League Virtual Time Trials allows athletes to complete time-trials in a full programme of events, held at their respective pools, with the results then being collated and published.

All swimmers in the Super Swim League Clubs are invited to take part in the Time Trials to challenge themselves against swimmers from across the Super Swim League within the comfort of their home pools.

The times are NOT official but they will give the athletes a good indication as to where they are in terms of their own individual performance and where they stand against their competitors.
